COLLEGE OF EDUCATION TEACHER & CAREER DAY

The Michigan State University College of Education invites you to attend our first annual College and Teacher Career Day!

The College of Education at Michigan State University is committed to leadership, scholarship, and service in the field of education. We aim to understand, reform, and improve education by preparing professionals for leadership roles and examining issues of education across the lifespan.

Are you interested in a career in education? Join us to learn more about how to become a teacher, college in general, and brush up on the college application process.
