

**Master's Degree Program Plan
College of Education**

So that you may be certified for graduation promptly upon completion of your program, as degree candidate, you must obtain final program approval from your advisor during or immediately prior to the semester in which you enroll for the final course on your program. A program of study for the Master's Degree must be prepared by the advisor and student prior to the student completing 10 semester hours of study.

Time Limits:

- The time limit for the completion of the requirements for the master's degree is five calendar years from the date of matriculation into the master's degree program.
- The College of Education, under policy approved by The Graduate School, allows master's students to transfer previously taken graduate-level credits (including those earned during MSU's Teaching Internship Year) into their degree program if certain criteria are met. More information about this can be found in the [Transfer Credit](#) section of the MAED website.
