

VOLUNTEER WITH **CAMP SKYWILD!**

AUGUST 10-17, 2024
YMCA CAMP TIMBERS
WEST BRANCH, MI

Camp SkyWild is a week-long overnight camp for autistic children and their neurotypical siblings. We'll spend the week swimming, ziplining, making arts & crafts, and so much more.

As a volunteer counselor, you'll provide supervision, assist with activities, and support your campers through a unique camp experience designed to meet their needs.

We'll start with a weekend of staff training where you'll learn all about autism, inclusion at camp, and our traditions. Campers arrive Monday afternoon and stay through Saturday.
