MICHIGAN STATE  
UNIVERSITY

Migrant Student Services and  
College of Social Science

"The IEM program provides MSU students with the opportunity to become exposed to selected MSU global competencies through international engagement and academic study."

## Who We Are

IEM is a unique study abroad program at Michigan State University. This service learning abroad provides a powerful combination of classroom instruction, international volunteer work and facilitated group discussions. IEM is designed to guide students into a better understanding of core concepts through action. IEM begins with a series of class meetings that cover topics ranging from Mexican-American history to service-learning and civic engagement. Over spring break, one hundred students gets divided into various cities in Mexico where they are able to apply the concepts they have learned in the classroom.
