Program Information & Rankings

MSU's Distinctive Teacher Preparation Program:

- All MSU teacher preparation students must complete a *1-year teaching internship* after earning a 4-year undergraduate degree.
- Teaching interns earn 12 *graduate level credits* that can, with program approval, be applied toward several master's degree programs offered by the College of Education.
- The Elementary and Secondary Education Programs have been ranked **#1** nationally for **25 consecutive years**.

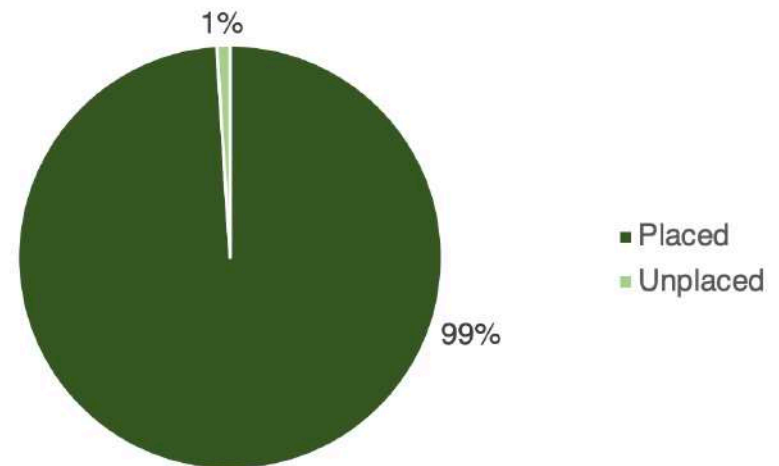

Data Collection & Placement Information

In Summer 2018, an electronic version of the Destination Survey was sent to 338 teacher candidates who completed the 2017-2018 teacher certification internship. By the end of December 2018, 308 had responded resulting in an **91% knowledge rate** and a **99% placement rate**. All results of this survey are based on the responses to individual questions asked. Not all respondents answered every question.

This report is part of a larger campus-wide Destination Survey Report that can be found on the Career Services web site: **CareerNetwork.msu.edu**
